1 CANDIDATE ENTERS RACE AT DEADLINE

The deadline for qualification of candidates in the May 3 Democratic Primary passed Tuesday night, this week, with one more candidate entering the race to assure a contest for every office at stake.

Fred Meacham, farmer of the Basin community, qualified as candidate for County Commissioner, District 3, in opposition to Flournoy Whitman, who, until then, had the field to himself.

Mr. Meacham was born and reared in the Southwest District and this is the first time he has sought public office. He is married and has one child, 5 years old. Mrs. Meacham is the former Dorothy Meek of Elba, daughter of Mr. and Mrs. C. J. Meek. He is a graduate of Opp High School, Baptist, member of the Farm Bureau and Cattlemen's Association. He operated a farm at Basin from 1937 to 1942.

WORK BEGUN ON BUILDING BY WHITMAN

Construction of a new building is under way in Elba to house a new retail outlet. A brick and steel structure, 28 x 30 feet, is being built by Flournoy Whitman at the rear of his present building on Buford Street, between Court and Claxton streets, at an advance estimated cost of \$6,000.

The building will be bordered by a parking area on the 10-ft. alley side. It will house an auto parts store. "I regard this building as another step in my efforts to expand the business life of Elba and Coffee county," Mr. Whitman said.

4-H WEEK IS PLANNED BY CLUBS HERE

By Thomas C. Casaday

I hope everyone will read next week's Elba Clipper closely. The County and Home Agents and I plan to have several articles in that issue calling attention to the project work and other activities being promoted by Coffee County 4-H Club members. In addition to this, I understand that The Clipper will do a lot of work to make next week's issue a real good one in promoting National 4-H Club Week. The week of March 5-12 will be observed as National 4-H Club Week all over America.

Coffee County 4-H Club members appreciate several business concerns in Enterprise and New Brockton for making the Local Leaders Recognition possible. We had a good time at the Elba High School luncheon in recognizing the volunteer 4-H Club leaders.

On Wednesday, March 9 at high noon (Next Week) six of Coffee County's top 4-H club boys and girls will appear on WTVY to tell the folks in the Wiregrass about 4-H activities in Coffee county. Those appearing on the show will be Carrell Wyatt, Fairview; Eloise Parker of New Hope; Linda Jones of Mt. Pleasant; Donnie Nelson and Judy Wilson of the Curtis club; and Peggy Davis of Damascus. Mrs. Wakefield and I will also be on the program with the boys and girls. The program will begin at 12 noon. Hope you will be watching at this time.

Coming Events
Mrs. Wakefield, Mrs. Hutchinson and I have been doing a lot of planning for the past few days to get several 4-H activities underway. Boys who have livestock and crop projects will receive letters in the next few days outlining the latest recommendations. I understand the girls will also be getting letters from time to time. Some of the things we will be promoting in our March series of 4-H Club meetings will be the public speaking contest and essay contest on Farmer Cooperative. We also plan to get the Safety Essay contest under way in March.

A breakdown of contributions shows Special Gifts \$120.00; Schools \$372.42; Mothers March \$168.76; Coin Boxes \$92.03; Basketball Game \$19.75; Rummage Sale \$14.00. All other sources \$142.90, total of \$899.80, leaving a net of \$899.80 after necessary expenses.

Cotton Acreage 'Release' News

Cotton growers were reminded today of the importance of either using or releasing their cotton allotments this year in order to prevent reduced allotments for future years. The deadline for releasing cotton farm allotments in Alabama is March 15.

According to Lester Gunter, Chairman, Coffee County Agricultural Stabilization and Conservation Committee, the 1961 cotton allotment for a farm will be reduced if certain conditions are not met in 1960. So a farmer who knows that he will not plant at least 75 percent of his farm's cotton allotment in 1960 can help himself and also other cotton farmers by releasing his allotment before the deadline. This will assure him, as well as the county and state, of history acreage for future allotments.

The new pews were purchased from the cash Christmas gift made by Mrs. Claude Dorsey, Sr., in memory of her son, Claude Dorsey, Jr., who died in 1957.

New pulpit furniture was donated by Lawson Spurlin in memory of his wife, Mrs. Decie Boutwell, killed in an automobile collision at Simmons and Adkinson streets Jan. 13, this year.

STATE ROAD CRASH

Mrs. Tess Hudson Morgan, 37, of Route 2, Brantley, and Mrs. Birdie B. Wambles, of the State Highway Patrol, who investigated. No one was hurt.

Funeral services were held Monday at Mt. Gilead Baptist Church with the Rev. Elmer Davis officiating. Burial was in the church cemetery with Masonic rites.

HE OUTDID HIMSELF

Holmes Alexander, The Dothan Eagle's columnist of totalitarian thought, has outdone anything he wrote previously with his column of Friday, Feb. 26, 1960.

The Pentagon repudiated an Air Force manual charging Communist infiltration of Protestant churches in the U. S. and Holmes Alexander calls this censorship. He then proceeds to reiterate the charge that Communism has infiltrated the Protestant churches.

Those of us who remember the rise of Hitler and Mussolini will recall that before they took any step to increase their own power they first made a speech in behalf of liberty and democracy.

There's a word for it in the dictionary. It's "casuistry". How ridiculous can you get?

PEANUT AND CORN PRICE SUPPORT SET

Price support for the 1960 crop of peanuts will average at least \$201.24 per ton nationally, according to Lester Gunter, chairman of the Coffee County Agricultural Stabilization and Conservation Committee. This minimum national support will not be decreased but may be adjusted upward if the existing legislation requires a higher support price, at the beginning of the marketing year, Aug. 1, 1960.

Support for the 1960 peanut crop was \$193.50 per ton, reflecting 75 percent of the parity level in August 1959. The price of the 1960 corn crop will be supported at a minimum national average rate of \$1.06 per bushel, Mr. Gunter said.

The national support rate on corn harvested next fall may not be lower than the announced minimum but may be increased if information at the beginning of the corn marketing year Oct. 1, 1960 indicates a higher support price.

Under the law, Mr. Gunter said, corn is supported at 80 percent of the average price of corn received by farmers during the preceding 3 years, but not less than 65 percent of parity. The announced minimum for 1960 is on the 65 percent of parity basis, since 80 percent of the 3-year average would be two cents lower at \$1.04.

TEACHERS TO QUIT HERE IF SALARIES CUT

Students in schools of Elba and the rest of Coffee county face the prospect of a school term reduced by one month. School authorities here have been notified that lack of funds from the state will mean a curtailment of about \$100,000 for Coffee county of which about half will be taken, from the Elba and Enterprise schools and the other \$50,000 from other schools of the county.

Elba City School Teachers Association met Monday and voted to stop teaching if and when salaries are cut. It was considered almost a certainty that teachers in the rest of the county schools would take the same action.

The Elba P.T.A., with Mrs. Annette Ford presiding, adopted a resolution to send a telegram to Governor Patterson asking a special session of the legislature to cope with the situation.

LEGISLATIVE MEET ASKED BY ELBA P.T.A.

Mrs. Annette Ford, president of the Elba P.T.A. Tuesday evening, March 1, in the high school auditorium. The Rev. Murray L. Seay gave a timely and inspirational devotional. The organization voted to send a telegram to the Governor urging the call of a special session of the legislature on an effort to prevent any provocation of teachers' salaries. Individual P.T.A. officers pledged to send similar telegrams.

Dean G. H. Boyd, of Troy State College, delivered an address on mental health. The prizes for P.T.A. attendance were won by Mrs. Nellie Martin and Mrs. Althea Prescott's sons.
